Out Of Small Wonders We Make Great Stars

THE RAISON D'ETRE OF T.F.A.

The basic objective of Tata Football Academy is to provide the mainstream of national football with a perennial pool of young footballers trained and oriented to international standards. Our strategy is simple "CATCH THEM YOUNG" and give them the best, in terms of training them modern technique, tactics, physical and psychological conditioning and related inputs. The skills in which we train can be best known as "THE ART OF WINNING". We collect our victory in ways that do not cause others to feel defeat. We win before the conflict erupts. You can also fulfill your aspirations in TFA during your vacation.

Institution

Built on 25000 sq. ft. amidst green surroundings in the heart of Jamshedpur, the institute can accommodate 40 trainees. It boasts of its own playing field; multi gym, swimming pool, kitchen, dinning room, conference hall, medical unit and recreational room. The academy provides an ideal ambience for promising footballers to develop their potential to the fullest.

The strategy is simple –"Create Super Stars. From Small Wonder
